

# **Welcome to the Seebar**

**Lean back and enjoy the view over the Lake Lucerne, the waterside promenade and the mountains.**

**Along with it, we are serving you highlights from our bar selection such as single malts from our whisky assortment, classic cocktails prepared as they were in the beginning of 20th century, typical rum and tiki drinks from the forties and fifties, modern signature drinks and newly interpreted ever-greens.**

**To satisfy your appetite for appetizers or small plates, we have a variety of culinary treats from the KKL Cuisine.**

**Cheers and «en Guete»!**
